## AUTHORS

### Adamson D

Money-back IVF guarantees: weighing the pros and cons. 80-90, May, ra

### Akca O: see Sessler D

### Anaya DA, Dellinger EP

\*Update on preventing surgical site infections. 34-48, Aug, ra

### Andrews JI

When does a pregnant patient need antibiotics? 45-54, Feb, ra

### Auerbach RD: see Lockwood CJ

### Bachmann GA

Strategies for recognition and management of sexual dysfunction in menopausal women. 4-11, Sep (Suppl), ra

### Bachmann GA, Gupta N

Does androgen insufficiency exist in women? Yes. 58-61, Jul, co

### Barnhart K: see Seeber B

### Berchuck A

Destiny's child. 104, Oct, so

### Berg R: see Monteagudo A

### Berghella V

The short and funneled cervix: What do I do now? 26-34, Apr, ra

### Boone T, Spann S

Overactive bladder: Antimuscarinic therapy in primary care. 9-16, May (Suppl), ra

### Bristow RE: see Garg R

### Brooks LM: see Milligan RA

### Brooks SE, Gordon NJ

Cutting hysterectomy-related complications and costs. 60-68, Sep, ra

### Brown JS

Epidemiology and diagnosis of OAB. 2-5, Oct (Suppl), ra

### Brunetto W: see Smith MV

### Bump RC: see Viktrup L

### Buster JE

Hormonal aspects of HSDD. 12-17, Sep (Suppl), ra

### Buster JE: see McKenzie LJ

### Camann W: see Bryant A

### Carson CC

Don't overlook the "nuisance" of bladder disorders. 1, May (Suppl), ed

### Casper RF: see Mitwally HF

### Caveleri M: see Yonkers K

### Cerrato PL

Altmed Watch. 85, Jan, aw

### Chen K: see Bryant A

### Cherot E

Should all complicated pregnancies be referred to an MFM specialist? No. 71, 73-76, Sep, co

### Cohen AW

My experience with ACOG's grievance process. 39-41, Sep, cc

### Cohen H: see Skolnik N

### Colgan R, Henry GD

OAB diagnosis in primary care practice. 2-8, May (Suppl), ra

threat of prematurity in women with  
symptoms. 5-9, Apr (Suppl), ra

### FETAL HYDRONEPHROSIS

Practical guidelines for diagnosing and  
treating fetal hydronephrosis. 59-77,  
Feb, uc

### FINANCIAL MANAGEMENT

Getting out from under student debt.  
25-29, Oct, og

### FOLIC ACID

\*Epilepsy and pregnancy: minimizing  
the risks. 51-70, Jan, ra  
March of Dimes: Are prenatal vitamins  
enough? 102-115, May, md

### GENETIC COUNSELING

What to do when your patient wants  
prenatal paternity testing. 44-51, Apr  
15, ra

### GENETIC TESTING

Making sense of the CF screening  
guidelines. 60, Oct, ra

### GESTATION, MULTIPLE

The twin with IUGR. 94-96, Nov, ra

### GYNECOLOGY

Cesarean delivery (Part 2): Managing  
the logjam. 11-15, Nov, ed  
Office assessment of urinary  
incontinence. 42-58, Oct, ra  
The politics of adolescent health. 80,  
Dec, so  
A program for management of chronic  
pelvic pain. 34-37, Nov, ra  
\*Sexual dysfunction: a couples issue.  
30-46, Dec, ra

### HEALTH MAINTENANCE ORGANIZATIONS (HMOS)

We must return to fee-for-service.  
32-36, Jun, og

### HORMONAL THERAPY

Progesterone in early pregnancy:  
measuring it, giving it. 60-75, Mar,  
ra  
WHI: The 'other shoe' drops. 6, 9,  
Apr, ed

### HUMAN IMMUNODEFICIENCY VIRUS

\*Update on managing HIV in pregnancy.  
57-72, Nov, ra

### HUMAN PAPILLOMAVIRUS

Managing pregnant patients with  
cervical intraepithelial neoplasia. 76-  
89, Mar, ra

### HYPEREMESIS GRAVIDARUM

A practical approach to hyperemesis  
gravidarum. 47-62, Jun, ra

### HYPERPROLACTINEMIA

\*What's the best approach to  
hyperprolactinemia? 49-54, May, ra

### HYSTERECTOMY

Case Study: Obstructed ureter. 25-29,  
Feb, ls  
Coding for multiple surgical procedures.  
90-97, Jun, cd  
Cutting hysterectomy-related  
complications and costs. 60-68, Sep,  
ra

### IMPLANTS, CONTRACEPTIVE

\*Contraception choices for 2004. 30-  
44, Feb, ra

### INFECTION

Coping with necrotizing fasciitis. 38-46,  
Jun, ra  
Managing mastitis. 32-47, Jan, ra  
Preventing surgical site infections—  
without drugs. 78-87, Feb, ra  
Update on preventing surgical site  
infections. 35-48, Aug, ra

### INFECTIOUS DISEASES

I love pus. 104, Aug, so  
Should pregnant patients be worried  
about West Nile virus? 66-75, Jul, ra

### INFERTILITY

Evaluating the infertile male—Part 1.  
80-88, Oct, ra  
How does age affect fertility? 37-46,  
Apr, ra  
Is it time to limit IVF transfers to one  
embryo? 73-85, Aug, ra  
Using aromatase inhibitors to induce  
ovulation in breast Ca survivors. 73-  
83, Jan, ra  
\*What's the best approach to  
hyperprolactinemia? 49-54, May, ra

### INSURANCE, HEALTH

Money-back IVF guarantees: weighing  
the pros and cons. 80-90, May, ra

### INTRAUTERINE DEVICES

\*Contraception choices for 2004. 30-  
44, Feb, ra  
Offering breastfeeding mothers advice  
on contraception. 72, Oct, ra

### IN VITRO FERTILIZATION

Money-back IVF guarantees: weighing  
the pros and cons. 80-90, May, ra

### IRON

March of Dimes: Are prenatal vitamins  
enough? 102-115, May, md

### LABOR

Obstetric anesthesia: Update 2004. 44-  
57, Jul, ra  
Preventing perineal lacerations during  
labor. 50-58, Sep, ra

### LABOR, INDUCED

Using and abusing oxytocin. 42-49,  
Sep, ra

### LABOR, PREMATURE

Progesterone in early pregnancy:  
measuring it, giving it. 60-75, Mar,  
ra

### LAPAROSCOPY

Coding for laparoscopic colpopexy.  
100-105, Mar, cd

### LASERS

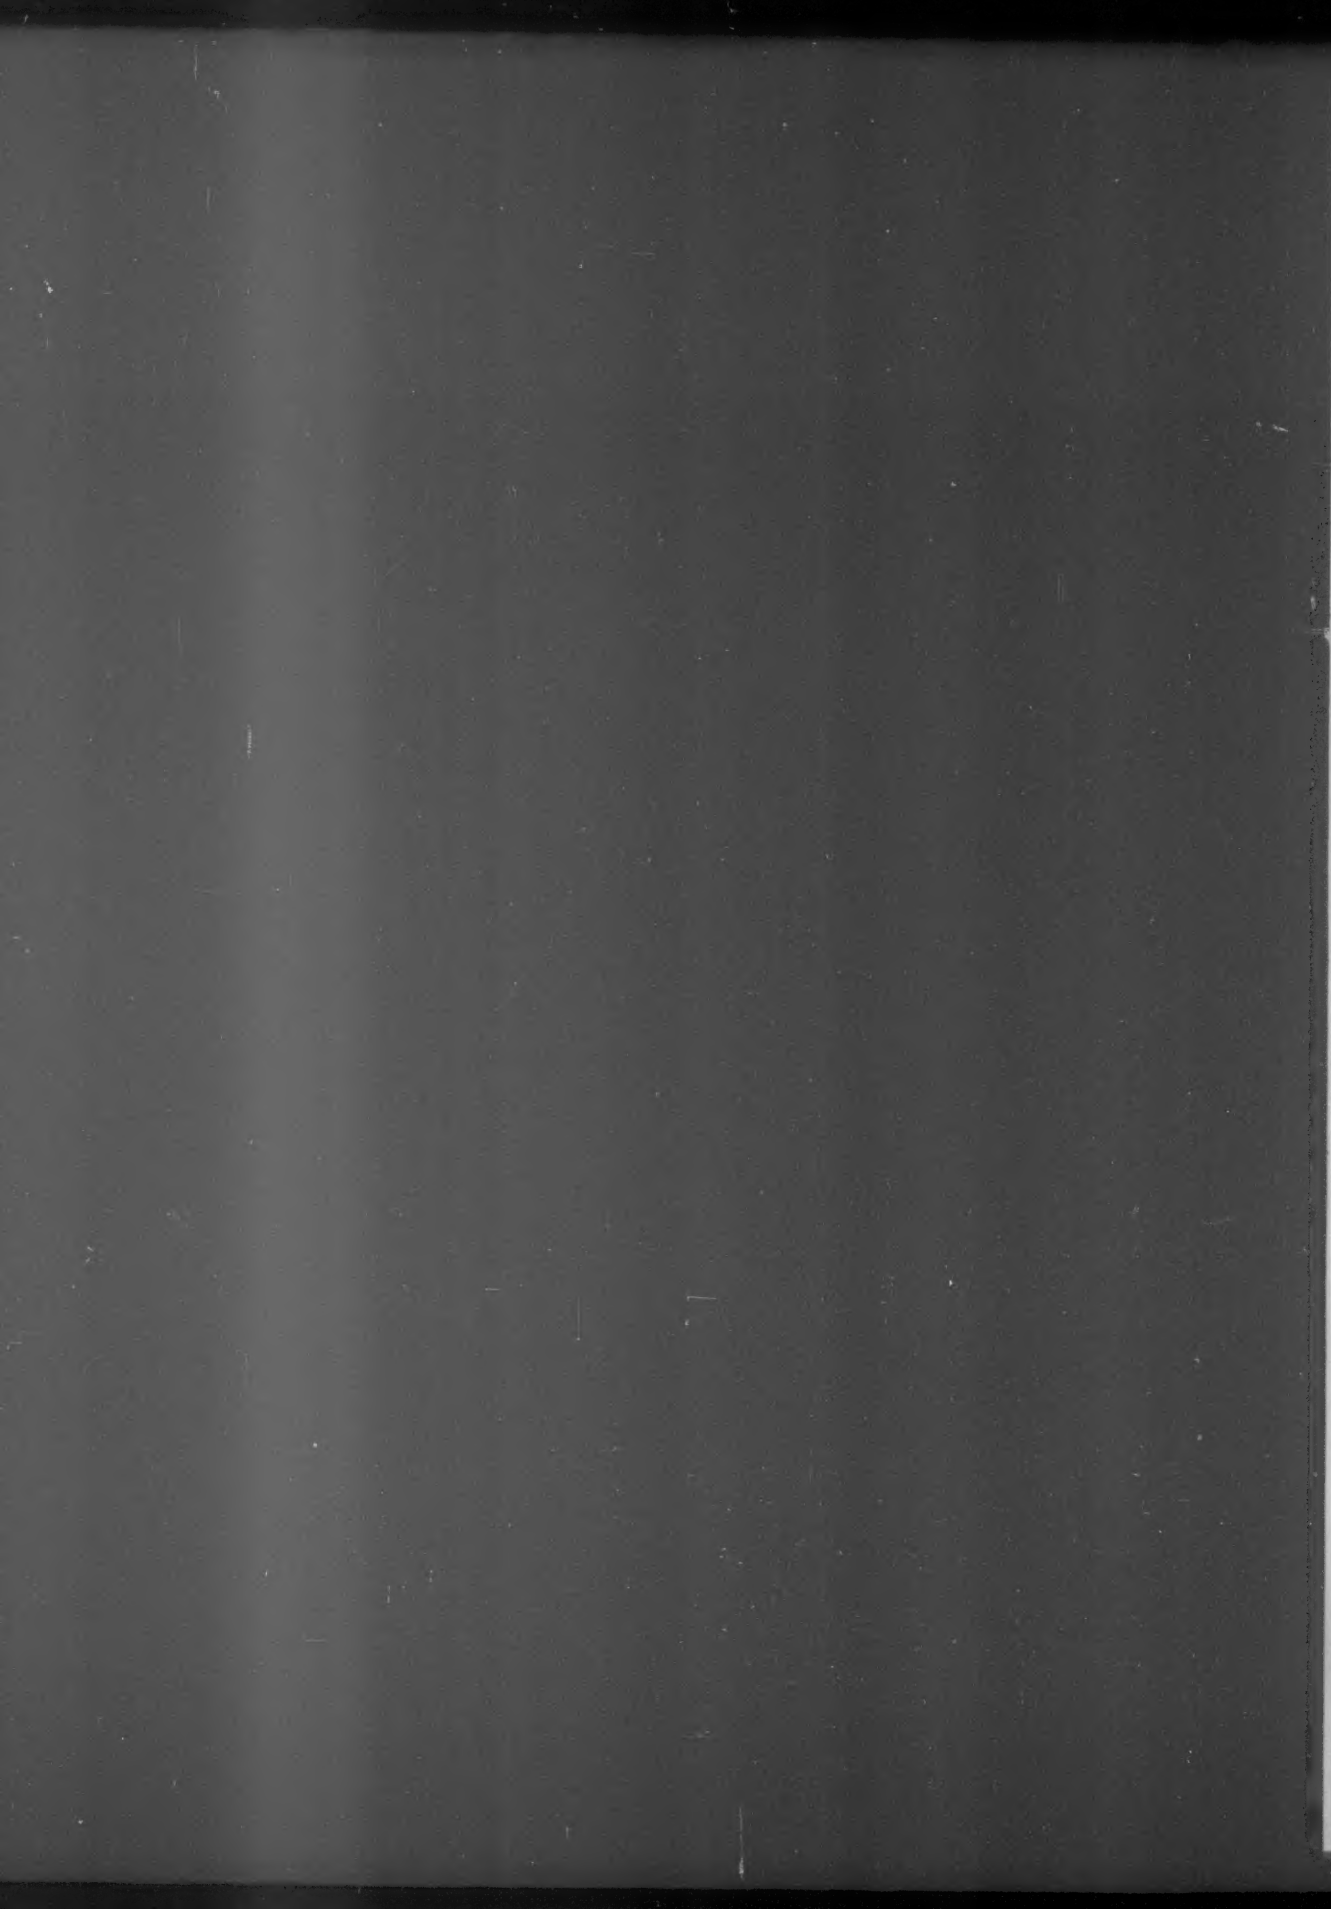

Novel approaches to diagnosing and  
treating endometriosis. 12-18, Apr 15,  
ra

### LEGAL ISSUES

Case Study: Brain injury at birth. 34-40,  
Oct, ls  
Case Study: Molluscum contagiosum of  
the breast. 30-33, Aug, ls  
Case Study: Myomectomy. 22-28, Dec,  
ls  
Case Study: Obstructed ureter. 25-29,  
Feb, ls  
Case Study: The genetic defense. 22-  
25, Apr, ls  
Case Study: When not to attempt  
VBAC. 26-30, Jun, ls  
Legally Speaking. 24-30, Jan, ls  
Legally Speaking. 26-29, Mar, ls  
Legally Speaking. 28-30, May, ls  
Legally Speaking. 36-39, Jul, ls
